# General Sale Information

## Time and Place: 1pm, Saturday October 10, 2009 at Harvie Ranching.

From Olds: 7 miles south on Hwy 2A. West(right) on Bergen Road(Olds-Didsbury Airport) 9 miles to Range Road 3.1 turn left(south)1/2 mile west (left) arrive at Harvie Sale Barn.

## Hotel Accommodations:

Best Western Motel, Olds (403)556-5900, Sportsman Motel, Olds (403)556-3315, Siesta Motel, Olds (403)556-3376, Circle Five Motel, Olds (403)556-7755, Didsbury Country Inn, Didsbury (403)335-8088

## Airports:

Calgary International Airport- Harvie Ranching is located just 45 minutes drive North of Calgary International Airport. Olds also has a small aircraft Municipal Airport.

## Guarantee:

All bred females will be pregnancy tested in calf. Females in calf are considered breeders without any other further guarantee. Females not in calf must be reported to us sixty days from purchase. There is no guarantee on females if the buyer first subjects them to estrus synchronization superovulations or ova transfers. Heifer calves under one year of age are sold open but are guaranteed to be breeders. If failing to be a satisfactory breeder credit will be given on the purchase of a replacement. Bull calves, if failing to be satisfactory breeders, will be replaced or credit given on purchase of replacement. They must be reported to us by July 15, 2010. They must be returned to us for evaluation if animal is in good condition and has been cared for properly. In any event, the sellers are responsible only to the extent of the purchase price of the said animal. Each animal becomes the responsibility of the purchaser as soon as it is sold. We reserve the right to make deletions or additions to the sale.

## Show Cattle:

If any of the cattle sold in the sale are left at Harvie Ranching to be shown by Harvie Ranching the new owner will be responsible for half of the show cost. If Harvie Ranching reserves the show rights on an animal they will pay for all the show cost.

## Cattle Viewing:

Cattle will be on display all day on Friday, October 9, 2009 and Saturday, October 10, 2009.

## Food:

Presale social and Dinner at Ian & Marlene home on Friday. Lunch will be served prior to sale followed by cocktail party after the sale.

## Frozen Embryos:

Because of different management practices, technicians, etc., there is no guarantee on the conception rate of any frozen embryos. We do guarantee that you will receive the number of embryos purchased and that they are the mating given in the catalogue. Only the number one and number two grade embryos were frozen and they have been stored at an accredited storage facility.

## EPDS:

Please note the EPD's may change from the time the catalog is printed until the registration papers are transferred.

## Sale Staff:

the set-  
up

process, contact Christine Boake (403) 850-6993 or Brad Fahrmeier (816) 392-9241 if you require any assistance.

# Welcome...

## Welcome to Harvie Ranching and Guests 3rd Annual Production Sale.

It is a great honor to be holding this sale once again with our guest consignors, OVHF, Remittal West and Highmark Ranching. The breeding and show potential of the sale cattle this year is stronger than ever before. On offer, fancy show heifers, great set of yearling heifers, proven cows, embryo's, breed changing bull calves and a proven herd sire Harvie Raftsman 16R.

Last year's group of bull calves went on to be at the top of their classes in Denver with one winning Reserve Spring Bull Calf Champion. We feel that this group of bull calves is the strongest set of calves that we have ever offered. To top off the bull offering will be Harvie Raftsman 16R, a proven sire and sire to many of the lots in our sale.

The female side of the sale is full of great opportunities from show heifers to donor cows. The heifer calves will be halter broke and ready for the show road. We added cows back to our sale this year and they are straight from the heart of our herd out of our top cow families. Also selling will be a large offering of exportable embryos from our top donor cows.

The sale will once again be broadcast live at [www.liveauctions.tv](http://www.liveauctions.tv). Last year we had over a hundred people watching the sale online from all over the world. We would like people to register at least 2 days prior to the sale. If there is any issue with the live broadcast during the sale please contact one of the sale representatives.

Come and join us and our Guest consignors for our sale on October 10, 2009 at 1pm at the Ranch. Please be our guests for dinner and social at Ian & Marlene's on Friday night. Lunch will be provided sale day along with a social following the sale.

Sincerely,  
*The Harvie  
Family*

Bryan, Isaac, Emily, Annette & Zachary

We would like to thank Harvie Ranching for allowing us to be apart of their elite production sale. The Harvie Ranching sale has become one of the important Polled Hereford sales of the fall run and is an event as a breeder you won't want to miss. Some of the most exciting individuals both male and female currently in the breed are animals that have walked through this sale. We are proud to be apart of this years powerful offering and have consigned eight lots of our best. We look forward to seeing you at the sale, if you have any questions on the lots we are selling or any of the animals in the sale please give us a call we would be glad to help.

## OVHF

**Frank or Andree McNeely**  
 Box 8, Avonlea, SK S0H 0H0  
 Sale Day: (306) 436-7910  
 Home: (306) 868-2201  
**Jill Harvie (403) 994-7990 (sale contact)**

Cole, Jill, Kerry, Curtis, Andree & Frank

For our 3rd year at Harvie Ranching and Guests sale, we have selected three lots which are a blend of newer and older OVHF bloodlines. Our continued commitment to the Hereford breed has been evident over the last forty years. Jill and Cole as well as Kerry and Curtis have branched off to continue the OVHF tradition of quality cattle. Please feel free to check out the website [www.ovhf.net](http://www.ovhf.net) for continuous updates.

**Ralph Eggins**  
 43 Woodside Park  
 Airdrie, AB T4B 2J9  
 PHONE 403-912-5857  
 CELL 804-0514  
 email [highmark@shaw.ca](mailto:highmark@shaw.ca)

Ralph Eggins

Highmark Ranching is located 3 miles north of Didsbury and 10 miles west of the 2A highway on Bergen Road, owned and operated by Ralph Eggins. The name 'Highmark' originated from Ralph's days of sledding in the Rockies and Highmarking the slopes. The Eggins farm has been in operation for more than 80 years beginning with Ralph's Grandfather Vivian and later his Aunts. Ralph began his cow/calf operation in 2003 from his love of working with the Harvie's cattle as a high school student.

One of the proudest moments for Ralph came in 2006 at Farmfair in Edmonton when Highmark Neila 48S won Champion Junior Heifer and Reserve Grand Champion. Highmark Ranching is working toward providing an excellent choice for breeding bulls and replacement heifers.

Ralph was born and raised in Didsbury, currently residing in Airdrie, sharing his time between the ranch and working as a gas controller for Alliance Pipeline in Calgary. During the hockey season you will find Ralph at the rinks across Alberta and beyond. He is very proud to be the manager for Airdrie's Triple A Bantam team, the Xtreme. Ralph's family also spend a good deal of their time working with the cattle and on the farm. The Highmark cattle have become a new career for Ralph's parents Dorothy and Ken Eggins of Didsbury.

# Harvie Ranching

**RAFTSMAN 16R**

Daughter of Lot 1 - Denver Class Champion

High Selling Son of Lot 1

Full Sister to Lot 1

Here is a rare opportunity to purchase a proven herd sire that is known around the world as a leading sire. Raftsmán has proven himself where ever he has been used from North America to New Zealand. His calves are very consistent, small at birth then grow fast with lots of eye appeal and muscle. Raftsmán sons and daughters have topped our sales for the last two years averaging over \$6000. In New Zealand the first heifers bred to Raftsmán averaged \$10,500 for Mark and Bruce McKenzie. Raftsmán's low birth weight and high growth followed by proven carcass numbers really makes him a complete herd sire. If you look at the maternal side he comes out of the great Firefly 51F cow, who has really stepped up to be the corner stone of our program. Raftsmán is the type of bull that looks impressive out in pasture with a group of females, the way that he maintains his condition and overall eye appeal all season long. So here is your chance to purchase an outcross bull with a proven track record.

**1/2 Interest & Full Possession**

Dam of Lot 1,2 & 30A

Sire of Lot 2 -  
Res. Champion Bull Agribition '07

Tailor Made is a powerhouse! He's just has that herd bull look to him! He is one of the most exciting calves that we have ever raised. His sire Traveler was the high selling bull calf in Canada 2 years ago and went on to be Reserve Champion Bull at Agribition. Traveler has done an excellent job on his first group of calves this spring for all the owners. We feel that Tailor Made is going to take the Hereford industry to the next level. His dam 51F needs no introduction; she is one of the cows that have made our herd what it is today. Tailor Made is the stoutest calf that we have ever raised but yet he is still super nice fronted. His dark red color and full pigment will give you a great set of heifers that will stand out in the show ring. Tailor Made will be one of those calves that will be talked a lot about this fall, so make sure you are not one of those people that is saying I wish I was a part of that calf. Terms to be announced

Talk about a meat machine! Whirl Wind is packed full of muscle from the ground up. He is a spitting image of his sire Raftsman when he was a calf and you can see what he has done. Many people picked this calf out as one of our next great ones when they came for a farm tour this spring. His dam, Ms Medonte, was the high selling female in our first production sale. There are 2 maternal sisters to his dam that sell as lot 10 and 11 and they are going to make great show heifers.

Grand Slam is an exceptional herd sire prospect. He possesses outstanding length of body and width over top. He is the same genetic package as Sleep Easy 68U the \$38,000 high selling bull calf from the 2008 Remitall Dispersal. Grand Slam is short marked and eye appealing. His grand dam Marvel 125E is one of the most influential females from the historic Marvel cow family. A bona-fide herd sire prospect with all the genetic pieces in place.

Rhonda is Jill's pick of the heifer calves. She is super easy doing yet still has that nice show front to her. Her dam has produced a top calf every year. Her first bull calf sold for \$7500 to Bill and Audrey Lyon's. Her second calf was Champion Yearling Bull at La-combe Bull Sale. 17R's 3rd calf is this great heifer lot 8. Her dam is also a maternal sister to lot 9. We would like retain 1 flush or two 1/2 flushes on this heifer at the convenience of the new purchaser

**MS GYPSY 187W**

Gypsy what a little show heifer, they just don't come any fancier than this. She has a great big hip on her with a beautiful little front end. Her dam produced Rhonda 17R one of the most up and coming females in our herd and dam to lot 8. Juniors take an extra look at this prospect.

Dam of Lots 10 & 11

Sire of Lots 10 & 11

Maternal sister to Lots 10 & 11 • Dam of Lot 3

Ms Medonte 202W is a super young heifer that could be the best one we offer in our sale. She is the type of heifer that you just know is going to be great. We purchased her dam from Medonte Highlands Polled Herefords and since then she has out done herself for us. Her maternal sister was our high selling female two years ago to South Alder Farms and North Bluff Farms.

170S is a rare chance to buy a direct daughter off of the Great Firefly 51F cow. Every single one of the 51F daughters in our operation is a donor cow and this one is no different. Her first bull calf we used on our heifers this year. 170S is moderate framed, beautiful fronted, very stout, and easy doing. She will make a foundation female in anyones herd.

**AI to Remitall Online 122L May 5 and pasture exposed to Harvie Target ET 173T June 5 to July 1 2009**

Firefly 160W Cherry red, sweet fronted, big hiped, she's a show heifer in the making. You combine that with her cow family and here is an opportunity that you will not want to pass up. Will buy back 1/2 interest in lot 30 if new owner chooses

Remitall Route 66 ET 346R - 2007  
Canadian National Grand Champion  
Bull. Sire of Lot 32A

Pearl 612S is a powerful producing young Embracer 8E daughter that is definite donor cow material. Her fabulous daughter, Pearl 10W, also sells and is a beautiful example of the production potential of this young cow. Her special mating to the \$270,000 record selling Super Duty 42S offers you even more exciting possibilities for 2010.

### AI to Remitall Super Duty 42S Apr 29

We feel Pearl 10W is one of the most exciting heifer calves ever to come out of Remitall. She is exceptionally thick and deep bodied. She carries all this thickness in an impressive broody looking package. Genetically she combines the 2007 Canadian National Champion Bull, Remitall Route 66 ET 346R with the breed icon sire Remitall Embracer 8E. This exciting genetic gem is a serious contender for the fall shows and future donor cow prospect.

# Terms & Conditions

**Terms:** The terms of the sale are cash or cheque, payable at par at the sale location unless satisfactory credit or invoicing arrangements have been made prior to the sale. The right of property shall not pass until after full settlement has been made.

**Delivery:** Will be provided at cost and at the buyer's option and risk. Instructions for delivery must be given at time of settlement. No cattle will be released until after the conclusion of the sale. Each animal becomes the risk of the purchaser as soon as sold; therefore, buyers are urged to insure animals for full value. Insurance will be provided by Linda Henderson, Lacombe, AB 403-782-388.

**Guarantee:** The cattle will carry the guarantee as recommended by the Canadian Hereford Association. The Harvie Ranching and Guests consignors stand behind any animal sold in this sale. All defects shall be announced.

**Health:** The sellers guarantee the animals will meet health requirements of Agriculture Canada Veterinary Inspection Operation and that the purchaser will be furnished with the required health certificate. If the purchaser finds the seller has been negligent in this regard, the purchaser has the right to refuse the animal and is entitled to a refund of the purchase price by the seller. The animal being returned for a refund must be accompanied by the required health certificate as provided by Canada Agriculture Veterinary Inspection Operation.

**Registration and Transfer:** A registration certificate of the animal duly transferred to the purchaser will be provided.

**Announcements:** Announcements from the auctioneer sale day will supersede any information contained in the catalogue.

**Liability:** The owners, their employees, sale staff and representatives accept no liability for accidents that may occur (although this is rare at cattle sale) and persons who attend do so at their own risk.
