FEMALE & GENETICS SALE

NOVEMBER 12TH-13TH | 5 PM MT CLOSEOUT

H

Join Us!

Summer 2025 will see both the
HEREFORD BONANZA & CCYA
National Junior Shows hosted
in Olds and Stettler, Alberta.

Make plans to attend!!

Welcome

As we embark on another exciting fall in the cattle business, we find ourselves in awe of the growing momentum within the Global Beef industry. As eternal optimists we have been eagerly scouting for new bulls that suit our breeding philosophies. This year alone we purchased the high selling bull from the Jackson family, High Bluff Law Maker 56L and the Canadian Semen Rights on the 2024 Res National Champion bull KJ 7603 Element 019L. We continue to bring relevance to the breeds we raise, finding the balance between show ring success and real world cattle that the commercial market demands.

As well, we have had immense success with the Hereford bulls in our roster from the past couple of years. Land Markers Mark 2072 purchased from the 2022 NWSS Champion Carload had his first group of calves hit the ground running with flashy front ends, extra middle and hip expression. NJW 79Z 199B Bourbon 126H ET females have laid down gorgeous udders in their first year of production. The first NJW PMH Commitment 137J ET's are due to calve in January 2024 who have implacable phenotypes and amazing temperament – Show heifers! The NJW 73S D287 Daybreak 163K ET offspring came easy, grew fast and have all the makings of leveling up females and bulls alike. Harvie Momentum ET 35L was the 2023 CWA Reserve National Champion Bull who led our carload to the 2024 Reserve National Championship. He walks the pastures at Fawcett's Elm Creek Ranch, South Dakota and we anticipate his offspring this coming year!

On the Charolais end, Turnbull's Jabba 25J has greatly exceeded our expectation with calving ease offspring that grow into muscular cattle that have eye appeal. HVA Three Thieves 66F was heavily used in our program, they are sound made and uniform. The SOS Jackpot 158J bull is in his second year as an AI sire at the ranch, we are big fans of the performance and style he has left behind, and you'll witness just that in the pages to come.

Our commitment to the Hereford and Charolais breeds is as robust as ever with Jill forging forward with important promotions within the Choose Hereford and Alberta Charolais Association boards. Working towards delivering youth and member services that promote the breed and it's importance in the larger Global Beef fabric.

Cole, Jill, Tinsley and Lyla

selling ELITE BREEDING FEMALES
plus EXCLUSIVE SEMEN & EMBRYOS

SALE CONTACTS

CATTLE VIEWING

We welcome you to drop in any time before the sale. Please contact Cole or Jill to coordinate a tour time and date. If you are wanting to join us on sale day, you can bid from your hand held devices and enjoy warm hospitality at the ranch. Videos will be posted a week prior to sale day, photos were taken by either Cole Harvie and Broken Arrow Livestock Services.

Location Harvie Ranching: 2332 Township Road 320 (Cole & Jill residence)

From Calgary Take the Didsbury Exit west until a four way stop. That is the 2A, head north (right). Take the 2A for approximately 4 miles, then turn West (left) on Bergen rd.(32.0), the Mountain View County office and Didsbury Airport are on the corner. 7.5 miles, after RR 23 is Harvie Ranching (brown buildings) on the North side of the road.

SCHEDULE OF EVENTS

Tuesday November 12th, 9 am - 5 pm.....	Cattle viewing
Wednesday November 13th, 9 am.....	Cattle viewing & Coffee
3 pm.....	Dinner, Drinks and Social
5 pm MST.....	Close out on DLMS Farmgate

Please let us know in advance if you plan to join us for closeout and a western style social.

WWW.FARMGATETIMEDAUCTIONS.CA

The sale will be hosted Nov 12-13 on DLMS Farmgate with a 5PM MT close-out. Visit www.farmgatetimedauctions.ca/ home to view sale and bid. All new bidders to DLMS Farm Gate Timed Auctions must create a timed auction account to be able to bid on this timed sale. This new account is different from your DLMS.ca live sale account and is needed for some of the great notifications features of the DLMS Farm Gate Timed Auction site. Simply click Register on the top right corner, fill in your account info, log in to verify your phone number and you're ready to roll with DLMS Farm Gate Timed Auctions.

International Bidders Please note that all international users will need to email mark@dlms.ca for account verification.

Questions/Assistance If you have any questions or need assistance with creating and account or bidding please call the DLMS Purebred Team, Mark Shologan, at 780-699-5082.

Terms The terms of the sale are cash, cheque, etransfer, payable at par at the sale location or via charvieranching@gmail.com. All females are healthy and under the management of Harvie Ranching with the assistance of Dr. Waylon Wise, CCHMS and Herdtrax. We stand behind the offering and guarantee that they are breeders, unless flushing occurs before 1st calf or the females are grossly over conditioned which we feel has a negative impact on fertility. We retain the right to one future flush at buyers convenience of any females in the sale. Payment for cattle must occur before animals depart from Harvie Ranching.

US Exchange Rate will be indicated on DLMS Farmgate sale day. All animals will be sold in Canadian funds. Each animal becomes the purchaser's risk immediately after the animal is sold, we encourage the purchase of insurance. A registration certificate will be duly transferred to the purchaser.

Trucking For US purchases, we will work swiftly to do all necessary testing and will work through Wolsey trucking, Billings, MT to get cattle to their destination. For Mexico purchases, we will work swiftly to do all necessary testing and will work through Peterosa Exports to get cattle to their destination. All Canadian cattle can utilize H.S. Knills Trucking (1.877.442.3106), Elco Livestock, Cody Doucette, Ph: 1-780-243-4412 or Valliquette Transport, Taylor Valliquette, Ph: 1-905-717-2639

Juniors Harvie Ranching is a long time supporter of the CJHA Heifer Lottery winning the "Breeder Award" three times over the lifetime of the program. This year we congratulate Kylee Chantler with Osterndorff Farms, Ontario for winning Reserve Champion Heifer Lottery Female at Bonanza, Brandon 2024 with Harvie SSAL Candy 103L purchased in the 2023 Fall Female Sale. Once again, we are geared up for the 2024 Choose Hereford Program. With more breeders uppin' the ante and attracting additional shows as well as new breeders.

Ms Firefly ET 79M is donor cow material! Firstly, her design is flawless; she's wide based, long bodied with extra rib shape. She has full pigmentation on a beautiful head to match her overall maternal appeal. Her dam Ms Firefly 125Y has continued to gain popularity in her 13th year in production as she recently produced Momentum ET 35L the 2023 CWA Reserve National Champion Bull who accompanied his full brother Thrill Seeker 48L to the 2024 Reserve National Champion Carload in Denver, USA. Both maternal siblings to 79M walk the pastures at Fawcett's Elm Creek Ranch in SD, USA. Her full brother in 2024 is in the show pen as we prepare him to be apart of the 2025 NWSS Harvie Ranching Carload. **We are retaining ½ interest and possession on Ms Firefly ET 79M, she is a CWA Supreme Qualifier.**

A different stream of the Ms Firefly line with the highly decorated Harvie OVHF Ms Firefly 4J as her dam and the famous Harvie Ms Firefly ET 15C as her granddam. This is a line of show females that turn heads and pull banners. Already 9M has been on the show road and was Bonanza 2024 Reserve Champion Bred & Owned Heifer Calf. Alongside her dam she was the Open Reserve Champion Mature Female as well. When it comes to her dam 4J which is Lyla's cow, I'm not sure we've shown a female as much nor won as many shows. She was the 2021 CWA National Champion Heifer Calf, 2022 CRY All Breeds Reserve Champion Female, 2022 Bashaw All Breeds Class Winner, 2022 Olds Fall Classic Champion Yearling, 2022 CWA Class Winner and Reserve First Lady Classic, 2023 Farmfair International Champion Female and Alberta Supreme Top 5 Females.

Ms Jade is a firecracker off the impressive Land Markers Mark herdsire. With full pigment, extra shape and a correct base she is going to do well in the showing. She has an intriguing pedigree too. She and all the heifers in the sale are halter broke and ready to show next summer with Bonanza 2025 coming to our hometown, Olds, Alberta. If you want a heifer that will peak next summer, show incredibly well and then become a contender in your front pasture. Have a look at Jade!

Seeing double! Ms Aubrey 106M is a striking Commitment 137J daughter that resembles Tinley's Ms Ronda 83L who won Bonanza 2024 Champion Bred and Owned Female and the National Junior Beef Heifer Show Reserve Champion Bred & Owned. Here's your chance at a real world female that will excel in the show ring and has the maternal backing to be foundation female. Ms. Aubrey has a fantastic EPD profile and phenotype that makes you fall in love with the Hereford breed over and over again. Now, you'll have to have a look at 106M on the show road, she is the real deal...

Let's talk maternal strength, she is the real deal. With an ideal Bourbon two year dam and Maker's Mark sire to add that extra look and muscle shape. She is set to show incredibly well with a killer side profile and walks like a cat. The soundness and overall makeup of this heifer makes her a contender for the 2025 show ring.

The Riesling cow family needs no introduction, they all make a splash, and this heifer will do just that! She has a unique and beautiful head, with big flashy white ears that grab the judge's attention in the show ring. She's big bellied, stout yet smooth in her design. Her dam was Brett Barber's pick of the Harvie females when on tour a couple years ago. With Commitment 137J on the top side and Riesling 104H on the bottom, this is a match made heaven.

It's time to tap into the "Unique" bloodline! She's deep, wide based and oh so attractive. She glitters like gold when the sun hits her perfect pin straight hair. She's stunning in her design, and now take a look at her pedigree. 111M's dam is a maternal sister to the popular "Harvie Smoke Stack 195B" from the CWA National Champion Unique 80W, this is no question an exciting female to campaign. Ms Unique 111M just might have the most popular pedigree you'll find this year!

A striking, goggle-eyed Commitment 137J daughter whose maternal sister is lot 13. She's off of a beautiful cow with a square and balanced udder with the milk quality to wean off one of our heaviest heifer calves. She's stout, long, deep and beautifully haired. The commitment 137J females have udder compositions that tell us they will have "picture perfect" udders, the teats are perfectly spaced, the correct length and sized in ideal proportion. We think this heifer will rock the show ring next year and turn into a cow like her Momma.

Firefly has sought after goggles and a pretty head. She is incredibly soft, big bodied with a correct structure. Her dam Firefly 19G female was purchased by SFC Cattle Co in 2020 and has been a producer. She is bred to safe in calf for Feb mid to end February to Harvie SSAL Bourbon 112L. Co-owned with SFC Land and Cattle, SK

Wild Envy is a tank! We love her added body shape and base. She's laying down a promising udder and has freckles (milk) to back it up! With excellent EPD's, the phenotype to match, she's an ideal female to add to your herd. She is bred to safe in calf April 15th AI to NJW 73S D287 Daybreak 163K ET. Co-owned with MC Squared, SK.

She's a Riesling! This polled Riesling x Fresh Prince holds a special place in our hearts. She looks so much like her dam and grand dam, donor females that were simply amazing to show. When Wayne and Anne Burgess came to us with these Embryo's we were so excited for the opportunity to partner on some of the most influencing genetics, and they all were females! 59L's full sisters sold in our sale last year, the Riesling 81L sold to the Edenburn Family in Illinois, winning the 2023 CWA Grand Champion Female & has shown incredibly well in the USA this year. She is bred to safe in calf April 15th AI to NJW 73S D287 Daybreak 163K ET.

Ms Hilda 8M will be another fantastic show heifer that will turn into a show cow. She's off of Jill's favorite up and coming donor on the ranch, Ms Hilda's dam 92J which is a gorgeous Mescalito 9038 daughter. Ms Hilda 92J's Turnbull's Jabba 25J daughter last year sold to Stepler Farms, Manitoba. This big hipped, well balanced and pretty headed female has all the components to make her new owners incredibly happy. With CCYA coming to Stettler next summer, consider adding Ms Hilda 8M to your roster!

Ms Molson 19M is the very first Ms Molson female to sell off our ranch in years. We hold on to our Ms Molson's pretty close as they have produced year after year, big-bodied, correct and attractive offspring, Ms Molson's also have a track record in the show ring. We look forward to having this beauty out this fall. 19M's grand dam was a dominating force in the showing. The Jackpot bull stamped his offspring so well, with added performance, style and overall mass. Ms Molson 19M was the Olds Fall Classic Sr. Heifer Calf Champion and Reserve Champion Charolais Female. She made many friends in and out of the breed. Quite simply she is flawless. Look for her at Farmfair Internation and we are reserving her show rights until after CWA Agribition 2024.

A strong head structure is the ultimate sign of a great one! She's pretty, homopolled, complete and backed by an extensive pedigree. Ms. Impressive is off of a beautiful 1st calf heifer that goes back to the Impressive 0461 cow, one of the most prolific females in the Charolais breed. Strong feet and legs carry this balanced female so well. Plus, she has an ideal udder structure developing and we do believe her udder quality will be A1. She's the right kind to have show next year and become a foundation female into the future.

Harvie Henrietta 35M is a feminine, high performing and easy doing show female. With a nicely balanced EPD profile and the popular sire. The Henrietta cow family has been consistent, herd bull driven with a long line of strong maternal instincts. Pays her way to the front pasture. We think this will be a stand out show heifer next summer. Have a look at her video and circle her number!

HVA 66F, Sire

Brenda 307Z, Dam

Harvie Brenda 38M is a stunning female from Jill's favorite Charolais donor female Brenda 307Z. 307Z is the deepest, longest sided female on the ranch who always has the truck stop on a cattle tour. This flush was a tremendous success, with a resulting group that are consistently strong. Brenda 38M has an appealing silhouette that lends itself to be a winning option in the show ring. You'll see Brenda on the show road this fall.
